

Businesses large and small are struggling at this really hard time. Longham is no exception and we really need to boost our numbers and encourage new parents to have the confidence to send their children to us.

Unfortunately as you know, our landlords, Longham United Reformed Church, have made us sign an agreement where we are not allowed anyone other than Longham staff inside the premises.

This has had an impact on our numbers. Some new perspective parents have sent their children elsewhere as they cannot view our pre-school and see all the great activities and our children thriving. We have fantastic recommendations but it is a big decision choosing the right pre-school for your child and we understand recommendations may not be enough.

We have decided that we need to do a video so we can show new parents our facilities and how happy our children are.

Please could you complete the slip below returning by **Tuesday 13<sup>th</sup> October** indicating if you are happy for your child to appear in the video which will be used on our website and social media. The children will be playing in the background whilst Leanne is talking about us, they will not be interviewed.

Many thanks for your support.

Kelly & Leanne
